CYRIL NDEGEYA, A RWANDAN ARTIST, ARRIVED IN SWITZERLAND

Cyril Ndegeya, a Rwandan photojournalist, arrived in Monthey (Valais, Switzerland) last week. His residency at the Crochetan Theatre will last 3 months and his work will focus on the theme of water. With his artwork, he wants to reveal similarities between Rwanda and Switzerland, as both countries are mountainous regions that can learn from each other about global change impacts.
