Film « Les Libertes terres » as part of the exhibition En terrain sensible

A cultural evening is proposed in the frame of the exhibition En terrain sensible:

**Screening of the film « Les Libertes terres » from P-J Vranken et J-C Lamy
Monday 4th April 2016 19:30, Médiathèque Martigny**

This documentary film, presented by FDDM as sidelines of the Festival du Film Vert, follows the life of 4 farmers who have refused conventional agriculture and have chosen to practice alternative agricultural methods.

A guided visit of the exhibition En terrain sensible takes place at 18:00 before the film.
