Tamir Bayarsaikhan returned to Mongolia a few months ago after his residency in Bellwald in the Valais Alps. Thanks to the collaboration of Arts Council of Mongolia. His series of photographs “Shadow on us” will be presented in Ulaanbaatar from 9 to 23 November 2018.

An opportunity to rediscover, the look of an artist who not only made a long geographical journey, but also a deep inner journey and proposes a very moving project mixing beauty and tragedy.
